Hart-to-Hart Farm is a small working organic dairy farm nestled in the rolling hills of Albion, Maine. It is owned and operated by Doug and Linda Hartkopf and their three children.

Linda Hartkopf directs the summer program. She holds a Master's in Environmental Education and Bachelor's in Animal Science with a concentration in dairy; and has farmed with her husband for many years. She is an avid supporter of agriculture through school programs and tours and works with a variety of state organizations.

Campers will experience a rich program as Linda incorporates her educational teachings into her current programs. The result is a unique and rewarding experience for each camper. Her enthusiasm and wealth of knowledge will provide your child with an incredible camp experience.

Farm Day Camp 2027

A Summer Experience Not to Be Missed By Children Ages 5-14

Down on the Farm

(Age 7—12 yrs old—one week only 5 & 6 yr olds)

During the week, campers explore our animals, gardens and fields through a variety of activities, games and crafts. It is an ideal week for those who enjoy getting their hands in the dirt! Highlight: caring for your own "adopted" animal". The week culminates as families join campers for a parade of animals which they have worked with during the week. Note: each session offers different activities.

Session : **I** June 14 - 18 **II** June 21 - 25 **IV** August 2-6
III June 28—July 2 (Reserved for campers ages 5 & 6)

Farm Camp Junior Chef

(Ages 7 –12 yr olds)

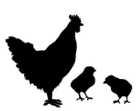
Similar to our Down on the Farm program but with a twist. Campers experience a true farm to table program where they develop cooking skills to create and sample a variety of dishes using the freshest ingredients grown in our gardens. The week topes off with our own Junior Chef Chop Challenge where teams invent a dish using mystery ingredients. A week not to be missed.

Session: I July 19 - 23 II August 9 - 13

Farm Extravaganza

(Ages 11-14 yr olds)

Farm extravaganza is for the camper seeking an in depth farming experience. Campers participate in an assortment of farm and forest projects which teach them about sustainable farming practices and approaches to local ecosystems. The week incorporates team building and leadership activities and campers gain a sense of accomplishment and self-esteem. Highlight: optional overnight on Thursday.



Session Date:
II July 26 - 30

Critters and Crafters

Let the farm be your inspiration! Use your creativity to find things on the farm and turn them into art you can eat, wear, write on or plant in! Make paper from vegetables, turn wheat berries into pretzels or design an unique planter. Campers attending this session have an opportunity to adopt their special farm animal and learn their secrets too! Ages: 7 - 12

Session Date: July 5-9

Pioneer Week

Step back in time and discover a variety of farm activities kids did in the 1800"s. Make a herbal salves from plants, play traditional games, plow with a team of oxen or try your hand at cooking a traditional meal. Campers attending this session will also adopt a special farm animal for the week. New and Old campers will be in awe as the week progresses. The week closes with a special event for families and friends. Ages: 7 - 12

Session Date: July 12 - 16

At camp, kids can…

- Adopt special farm animal for the week
- Create nature journals and inspiring art creations
- Bake in our brick oven made by campers
- Participate in hands-on science exploration
- Build special Farm project
- Make new friends and have fun!
